

HELLO! my name is ALINA FABOZZI

..... web & graphic design extraordinaire (now with video!)

» a brief summary

decembria.com » 845.820.5860 » ag.fabozzi@gmail.com

I am an experienced web, graphic and video production designer. I specialize in designing responsive websites, green screen video, and print. I have a driving passion to work with captivating visual design including photography, motion graphics, 3D modeling and typography. My strength is working with a collaborative team and a desire for constructive feedback to improve my style and skills.

» my skillset

I like to work with different techniques and styles. I combine my knowledge with varied software and tools to achieve the perfect design.
